EU HORIZON 2020

Nanotechnologies, Advanced Materials and Advanced Production Technologies

Istanbul, 22 October 2015

TUBITAK (The Scientific and Technological Research Council) and Enterprise Europe Network - Sabanci University are organising an Info Day & Brokerage Event on 22 October 2015 in the field of Nanotechnology, Advanced Materials, Advanced Manufacturing and Processing (NMP).

The aim of this event is to provide detailed information about NMP and create partnerships between European and Turkish stakeholders in the next Horizon 2020 NMP Calls.

Location: Sabanci University
Universite Cad. No:27 34956 Orhanlı
Tuzla Istanbul

Nanotechnologies, Advanced Materials and Advanced Production Technologies
